- 4. No lot shall be used as a dumping ground for rubbish, trash, garbage, or other waste matter. Garbage or other waste shall be kept in sanitary containers. All equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. All containers for garbage or waste shall be placed so that they are not visible from any roadway in the subdivision. No incinerator or any outdoor burning shall be permitted.
- 5. No lot or group of lots in the subdivision as delineated on the plat shall be divided or subdivided into smaller lots.
- 6. No one will be allowed to strip topsoil from any lot or to remove trees or otherwise waste away the natural beauty of the lots. This, of course, does not disallow necessary construction or any other activities calculated to increase the beauty of the lot or increase its value.
- 7. No sign of any kind shall be displayed or placed upon any lot or structure thereon except that one "For Sale" or "For Rent" sign not exceeding 2-feet by 3-feet in size may be placed on a lot by the owner thereof.
- 3. Nothing contained in these covenants and restrictions shall prevent the Developer or any person designated by the Developer from erecting or maintaining such commercial and display signs and such temporary dwellings and model houses and other structures as the Developer may deem advisable for development purposes.
- 9. No obnoxious or offensive trade or activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become any annoyance or nuisance to the neighborhood.
- 10. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any lot except that dogs, cats, and other domestic pets may be kept provided they are not kept, bred, or maintained for any commercial purposes, and further provided they are controlled so that they do not become an annoyance or nuisance in the neighborhood.
- 11. Every residence shall have a septic tank which shall be installed in such manner as to comply with all the laws and health regulations. No outside toilets are permitted.
- 12. Nothing shall be done on any lot whereby the natural flow of surface water shall be increased or altered in such a manner as to cause a nuisance to adjoining or neighboring property.
- 13. Each lot owner shall provide space for parking two automobiles off the roadway prior to the occupancy of any dwelling constructed on said lot in accordance with reasonable standards established by the Developer.
- 14. No building, fence, sidewalk, wall, structure, residence, driveway, roadway, or exterior television or radio antenna of any kind shall be built, constructed, placed, enlarged, or altered on any lot unless and until the detailed plans and specifications and the proposed type of construction and the proposed location of such building, structures, driveways, and automobile parking areas upon the said Lot shall have been submitted to the Developer at its offices and approved by it in writing. The Developer shall within thirty (30) days of the receipt of such plans return said plans to the Purchaser indicating thereon its approval or disapproval. In the event said Developer fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, such approval will not be required and this covenant will be deemed to be fully comlied with. A complete set of plans and specifications of the house to be built shall be left with said Developer during the time of construction.

- 15. Every residence constructed on any lot shall have a minimum of one thousand (1,000) square feet of enclosed finished living area floorspace, excluding basements, attics, porches, or storage space.
- 16. No residence or any part or appurtance thereto shall be constructed nearer than twenty (20) feet to the front and back or ten (10) feet to the sides of any lot line.

- 17. Stone, brick, painted or stained wood, or a combination thereof is required for exterior siding; no metal siding or metal roofing is permitted. No exposed concrete block masonry foundations or walls are permitted.
- 18. Easements for installation and maintenance of utilities and drainage facilities are reserved to the Developer along all lot lines, said easements being ten (10) feet in width.
- 19. Exterior of all houses must be completed within one year after the construction of same shall have commenced except where such completion is impossible or would result in great hardship to the owner or builder due to strikes, fires, national emergencies, or natural calamities.
- 20. Invalidation of any one of these covenants by judgement or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
- 21. All buildings, structures, installations, and other improvements to be located on any lot must comply with all governmental laws and regulations validly affecting said lot and if any provision herein may differ therefrom such variance shall not be construed as a waived by the Developer of the necessity of compliance with the Trms hereof.
- 22. These covenants are to take effect immediately and shall be binding on all parties and all persons claiming under them. If the parties hereto or any of them, or their heirs or assigns, shall violate or attempt to violate any of the covenants herein it shall be lawful for the Developer or any other person or persons owning any real estate situated in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenants and either to prevent him or them from doing so or to recover damages or other dues for such violation.
